Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>In the semester system teachers are always racing against time to complete the teaching assignments following the established guideline/policies of the institution for monitoring syllabi design and implementation that include accomplishment of two rounds of mid-terms as internal assessments, practical classes as well as completion of theory and practical examinations within span of about four months.</p> <p>The university releases the academic calendar every semester stating the date of commencement of semester, two mid-term assessments, last date of teaching and date theory/practical examinations that is implemented by all academic departments. Anticipating an extended lockdown, due to COVID-19 and need of trained teachers, JMI organized a series of ICT capacity development programs on use of online teaching & collaboration tools for about 750 faculty members. All teachers were given access to Online meeting platforms & LMS. The IT Centre of the university provided continued technical support to teachers and students.</p> <p>Timetables of all courses with respective class joining links were made available on the university website. JMI faculty extensively used Google Meet/google classrooms and zoom platform to conduct online classes. To provide access to the teaching contents in asynchronous manner, the material was also made available to students through Google Classroom. This allowed students to access the material as per their convenience. The LMS helped students who were living in remote areas and were constrained by low bandwidth.</p> <p>Faculty members encouraged students to contact them on their WhatsApp for seeking clarifications/doubts. The university also trained about 400 JRFs/SRFs/Post-Doctoral fellows on use of online teaching tools so that can also actively support their fellow junior students.</p> <p>To further support their learning needs, students were encouraged to enrol in MOOCs courses on SWAYAM and other platforms. JMI extended access to Coursera to its students under which more than 3800 courses from leading universities & companies in the world were made available. As per the statistics shown on Coursera portal, more than 21,655 enrolments were made by JMI students and faculty spending 20,465 hours of learning. About 500 of them have earned certificates from respective providers after completing the courses.</p> <p>The university also arranged for online access to the learning resources through Zakir Husain Library.</p> <p>The Heads of Departments & Directors of the Centres and the Deans reviewed progress of the teaching activities regularly to ensure sure timely completion of teaching assignments.</p> <p>To facilitate timely viva-voce examination of M.Phil./Ph.D. students, the university's academic council approved conducting such examination in online mode. Examination of other programs were also conducted using online platform.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
