Introduction of jointly designed and taught P.G. Diploma in Public Health (2 semesters) under META University concept

The Chairman (Vice-Chancellor) apprised the members of the Majlis (AC) that the Prime Minister and the Minister for Human Resource Development have time and again expressed concern over the need for student mobility and their ability to move without effort to study courses that would be compatible to meet their intellectual hunger. It was therefore thought good for leading colleges and universities to devise courses that would be stimulating and give the opportunity for students to be able to study at different universities and thereby widen their exposure, but also to get the best of faculty to pool in resources and enhance the standard of teaching to be imparted. After some initial discussion it was thought that the Jamia Millia Islamia, Delhi University, Jawaharlal Nehru University and I.I.T. Delhi take the first step in forming this META University that would provide a joint degree for courses that the 4 selected institutions would mutually agree to run.

To conceptualize and operationalize the concept of the Meta University, it was agreed that the 4 institutions form a core group consisting of Head of the Institutions and 2-3 Professors and take this forward. Several meetings of the core group have been held, followed by 2 presentations to the Hon'ble Minister for H.R.D.

It was agreed that, to begin with three areas namely climate change, education and public health should be focused and that Delhi University will take lead in the area of education, IIT Delhi in Climate Change and Jamia Millia Islamia on Public Health.

At the meeting of the Vice-Chancellors of Delhi University, Jamia Millia Islamia, Jawaharlal Nehru University, Dr. B.R. Ambedkar University, Delhi

and Director, I.I.T. Delhi with Mr. Kapil Sibal, Hon'ble Minister for HRD, Chairman UGC and Secretary, Higher Education, G.O.I. on 31st March 2012, Delhi University proposed to introduce an innovative M.Sc. Programme in Math Education with the request that Jamia teach two of the courses. Jamia Millia Islamia proposed to consider introduction of a joint 2-semester Diploma in Public Health w.e.f. 2012-13 and a joint Masters Degree Programme w.e.f. 2013-14 by J.M.I., D.U., J.N.U. and I.I.T, Delhi. An intensive Research Programme on issues of Public Health with the funding requirements was also presented by J.M.I.

In the meeting of the Core Committee on Meta University held on 3rd April 2012, the Vice-Chancellor of Jawaharlal Nehru University and Director, I.I.T. Delhi shared that it may not be possible for them to get the approvals of the competent bodies of their respective institutions for introducing the Joint Diploma Program from the next academic session but assured that they will participate in the designing and teaching of the Diploma.

After deliberation, the Majlis (AC) approved the proposal to introduce a jointly designed P.G. Diploma in Public Health (2 semesters) w.e.f. 2012-13 in principle, so that the competent bodies such as Committee of Studies of the Departments and Board of Management of the Centres may work out the detailed syllabi with the Joint Curriculum Development Committee in the light of the outline of the program as given at **Annexure-X**.

The Majlis (AC) also decided that in case any of the four universities are unable to be associated with the Diploma Programme due to their administrative constraints, the Jamia Millia Islamia and Delhi University can go ahead with the Programme.

The Majlis (AC) further authorized the Vice-Chancellor to take the required actions in this regard.
