Jamia Middle School organises Annual Sports Day 2023-24 under the aegis of ViksitBharat@2047: "Voice of Youth"

Jamia Middle School, Jamia Millia Islamia (JMI) organised its Annual Sports Day on 8th Feb, 2024. This year was infused with the vibrant theme of "ViksitBharat," which translates to "DevelopedIndia". It aimed to instill a sense of patriotism, health, and national pride among the participants while promoting physical fitness and sportsmanship.

Prof. Eqbal Hussain, Offg. Vice Chancellor, JMI was the chief guest. Director of Games & Sports Prof. Waseem Ahmed Khan, Dean, Faculty of Education Prof. Sara Begum, Chief Proctor Prof. Atiqur Rehman and other esteemed officials of various departments, Principals and Heads of all schools of the university were also present in the event.

The event commenced with a grand opening ceremony, featuring the recitation of the Holy Quran and welcome speech by Mrs Nusrat Jahan, Headmistress, Jamia Middle School. Followed by a warm welcome of VC and other guests by presenting the saplings as a gesture of appreciation for their visit. The Vice Chancellor's few words resonated deeply with the audience, "Students of Jamia Middle School consistently demonstrate excellence in both academics and co-curricular activities, showcasing their dedication and talent. Their achievements reflect the commitment of the faculty and the supportive environment provided by the school."

Vice Chancellor's address was followed by the "Aerobics Performance". The atmosphere was charged with enthusiasm and energy as students, teachers and guests gathered to celebrate the spirit of sportsmanship.

The day was packed with a variety of sports events and activities. Traditional games like kho-kho, 100m and 200m race of boys and girls, hopping, banana and frog race were organized alongside modern sports such as cricket, football and athletics.

Each event showcased the participants' skills, teamwork, and determination. In addition to sports competitions, the event incorporated cultural elements that highlighted the rich tapestry of Indian heritage. Aerobics Performance added color and vibrancy to the proceedings, fostering a sense of unity and inclusivity among participants from different backgrounds.

The Annual Sports Day festivities concluded with a closing ceremony that celebrated the achievements and efforts of all participants. Medals, trophies, and certificates were awarded to winners and participants, acknowledging their dedication and sportsmanship. The event ended on a high note, with renewed commitment to fostering a healthier, more active, and united India.

Jamia Middle school shares its history with Jamia Millia Islamia as it is the "Buniyad" of the University. 'Learning by doing' was the core ideology behind Basic Education which is still the essence of the school. The present campus came into existence on 1st March, 1935. It was from this point in time that Jamia Middle School became an ideal place for community teaching and it was here that, under the guidance of Dr. Zakir Hussain, the first experimental teaching was successfully conducted.

Special efforts are made towards the moral, spiritual, intellectual, social and physical development of children. The students are taught in a way that they are able to take up every challenge with sincerity, integrity and to the best of their ability.
