POSTER FORMAT

Please prepare your posters of minimum A2 paper size in portrait/landscape mode. You will need to bring a printed copy of your poster to the poster session. We will arrange for the necessary support system (poster stands, clips etc.). Please ensure to make your poster visually appealing. For instance, merely replicating the text of your abstract onto the poster is a bad idea. Instead, strive to have a continuous flow of ideas through numbers, figures, diagrams and graphs. If you have any special requirements, please contact the poster chairs at nwtb_paper@jmi.ac.in.
