

Department of Tourism and Hospitality Management

Jamia Millia Islamia

Orientation - Academic Session 2022-2023

The Department of Tourism and Hospitality Management, Jamia Millia Islamia, officially welcomed the newly enrolled Undergraduate and Post-Graduate students on Friday, October 7th, for the academic session 2022-23. Through the programme, the students got the opportunity to know about the department and have an insight about the tourism and hospitality sector. The induction programme was organised with the goal of ensuring a smooth transition from high school to college by welcoming, making the students feel at home, acclimating them to the new environment, and helping them to form cordial relationships with other students.

All the new students attended the orientation session, Dr Priya Singh anchored the event. The programme was inaugurated with recital of Holy Quran by Mohd Rahib from BHM 5th Semester.

The Head of the Department, Dr Sarah Hussain in her opening remarks welcomed the students and motivated them for better learning. She educated the students by emphasising upon the successful practices to be followed by the students in their academic life. She addressed everyone to work hard on their goal and promised to be there for any kind of help the students need.

Prof. Nimit Chowdhary also addressed the students with his motivational thoughts. He underlined the value of attitude and made them realise about the actual role and value of the students in an educational setting.

Mr. Javed Salim, (Research Scholar), presented a nostalgic session on the rich legacy of Jamia Millia Islamia as the event continued. After this, Mr. Mudassir Khan briefed the students about the department's programmes, regulations for exams, internal evaluations, and compulsion of the attendance to appear for the exams. He also introduced the faculty members and office staff to the students. Later, Dr Aarti emphasised the rules of conduct and grooming standards that all students in the department and university must abide. Dr Nusrat Yasmeen, Student Advisor, proposed the vote thanks of the induction programme. The session ended by a photo session with all of the faculty members and students.
