

Admission Guidelines 2016-17

B.Voc. in Solar Energy Course

- Applications are invited for admission to 3 years **Bachelor of Vocational (B.Voc.) in Solar Energy Course**, for the academic session 2016-17. The course has been approved by the University Grants Commission under D.D.U. Kaushal Kendra Scheme attached to the Department of Physics, Jamia Millia Islamia, New Delhi. There are 50 seats in the course including all reserved categories, as per JMI rules.
- The course aims at providing the graduates of higher education system to have adequate knowledge and skills for employment and entrepreneurship and to also fulfill the emerging needs of the economy. The course also aims to incorporate the requirements of various industries in the solar energy sector with specific job roles in its curriculum in an innovative and *flexible* manner. The B.Voc. in Solar Energy Course therefore provides an opportunity of *exiting the course* after completing 1 year with a **Diploma (having NSQF Level 5)**, after completing 2 years with an **Advance Diploma (having NSQF Level 6)** and after completing the 3 years with **Bachelor of Vocational Degree (having NSQF Level 7)**.
- **The candidates belonging to the following categories will be eligible for admission in the B.Voc. in Solar Energy Course:**
 - Category 1:** Students who have already acquired NSQF certification level 4 in the industry sector belonging to Solar Energy.
 - Category 2:** Students who have acquired NSQF certification level 4 but may like to change their sector and pursue Vocational Course in Solar Energy.
 - Category 3:** Students who have passed 10+2 level examination (or equivalent) without any background of vocational training. Such students must have secured at least overall 50% marks at the 10+2 (or equivalent) level. Besides, they must have also secured at least 50% marks in Physics and Mathematics separately at the 10+2 (or equivalent) level.
- **The admission will be purely on merit basis.**
- The admission form may be downloaded from the J.M.I. website (www.jmi.ac.in). The duly filled admission form along with a **bank draft (or postal order) of Rs. 100/=** (non-refundable) **in favour of "Jamia Millia Islamia payable at New Delhi"** must reach the Office of the Nodal Officer, B.Voc. in Solar Energy Course, Department of Physics, Jamia Millia Islamia, New Delhi-110025 either in person or by post **latest by 15 July 2016 up to 5:00 P.M.** Self attested mark-sheets of the qualifying examination and of class 10th must be submitted along with the admission form.
- The first list of the candidates admitted in the course will be displayed on the J.M.I. website after 25 July 2016. The candidates are advised to visit the J.M.I website regularly for the latest updates.
- All other conditions for granting admission in Jamia Millia Islamia shall remain same as mentioned in the Jamia Prospectus 2016, which is available on the Jamia website: www.jmi.ac.in.
