

A SYSTEMATIC APPROACH TO QUESTION PAPER SETTING

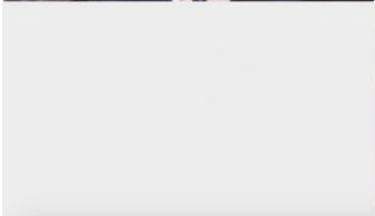

An online workshop on “A systematic approach to question paper setting” was conducted on 27 March 2021. The primary focus of the workshop was dental faculty. The course was designed with the primary objective of developing core skills for setting question paper among dental educators in a meaningful way to track the students learning. The resource persons for the event were Dr. OP Kharbanda, Dr. C.G. Pandit National chair of ICMR, All India institute of Medical Sciences, Dr. K. Anbarasi, Associate Professor, Faculty of Dental Sciences, Sri Ramachandra Institute of Dental Science and Research, Chennai, Dr. Sunali Khanna, Vice President, Indian Academy of Oral Medicine and Radiology. The topics covered were: How to set a balanced question paper, how to organise the examination objectives in alignment with course objectives, recognise schemes of sections and options, selection and analysis of options, how to design marking scheme and objectives. The course was attended by 244 participants.
