

## Welcome Message For Fresher's

Dear Students,

We, the Faculty members are delighted to welcome you to Art Education Department, Faculty of Fine Arts, at Jamia Millia Islamia. The next few years promise exciting experiences for you as a member of our dynamic campus community. I know this is not ideal, nor is it how we hoped for to start the opening of the 2021 college year, but the important thing is that we are all coming together, happy, healthy and ready to see this as a new beginning.

I wish to congratulate each of you, for having the good sense to choose to study in Jamia Millia Islamia. We, at the Art Education Department of Fine Arts, puts the student at the centre of everything it does; your experience here and your success is important to each and every member of staff who works here. This course is slightly different than other Fine Art Courses, they teach you to be a Creative, Fundamentally strong, Aesthetically Artists, be it a Painter, a Sculptor, an Art Historian, a Print maker, but in Art Education we aspire not just to create an Artist out of you, but a Mindful Educationist, a person who avails the quality of teaching many, we guide you, through various methodologies, to acquire and refine your skills in such a way that one day, you yourself become that empowering that you can introduce students to the world of Art and support their creative wings.

You will be learning various disciplines in this Department, be it, the techniques and enhancement of Painting, Sculpture, Portraits, Applied Art, Photography, Digital Communication, and Set Designing, we will also take you theoretically through child Psychology, and Art Education. Continuing with one of the most loved, curriculum that is the Teaching Practice, which enables you to feel the joy of teaching young and fresh minds, and learning in abundance. And while you are here at this Department, you will have the opportunity to learn new things, acquire new knowledge, develop new skills, and enhance your personal attributes in profound ways that will equip you for life after the University. Here, you will also broaden your horizons, experience leadership opportunities, establish lifelong friendships, and gain real-world learning and, of course, have fun.

Given the interesting times, Art Education college facilities will look different. We will work together to maintain health and safety standards, while sustaining the academic excellence and personalized attention that is synonymous with Jamia Millia Islamia College education. We have been working non-stop trying to keep up with the changing tides to make sure you have the best beginning that is possible right now. We will not compromise with the level of your studies. We are in process of creating new and profound ways to teach, as the Pandemic situation requires us to be more creative in figuring out a strategy to fulfill the requirements for your holistic Learning Experience.

Again, we welcome you with open hearts, and promise you to support your growing and ambitious steps and help you fulfill your goals, and your journey. The times are really hard, but extreme times need extreme measures, thus, we look forward to E-Meet you all and further facilitate your experience and learning at Jamia. Wishing you all a well!
