Press Release

Jamia Electronics Alumni Association organises 3rd Alumni Meet

ECE Alumni Association, JMI organized their 3rd alumni meet on October 2nd at the Engineering Auditorium before a packed audience. Among the alumni were those who now hold top positions in corporate and government sectors.

The Chief Guest on the occasion, Prof. Talat Ahmad, Hon'ble Vice Chancellor, Jamia Millia Islamia said, "we are connecting alumni of Jamia across the globe through Global Jamia Alumni Network and its very significant initiatives in that direction". He urged the alumni of Jamia to connect and contribute to their *Alma mater* as much as they could. He further expressed his happiness at the increase in the number of alumni and students since the last meet which was indicative of their involvement in the affairs of the university.

The Vice Chancellor also launched the official website of ECE alumni association: <http://www.ecealumnijmi.com/>

In his introductory speech, Md. Khalid Hasan speaking on behalf of the Association threw light on its objectives and achievements saying, "We are providing free training to Jamia students in VM Ware, Networking and soft skills through an initiative MyJobAdda taken by one of our alumnus, Mr. Sharique Akhtar and his team."

Apart from this, the association is also providing informal help to students in their relocation to various cities across India and in their placements.

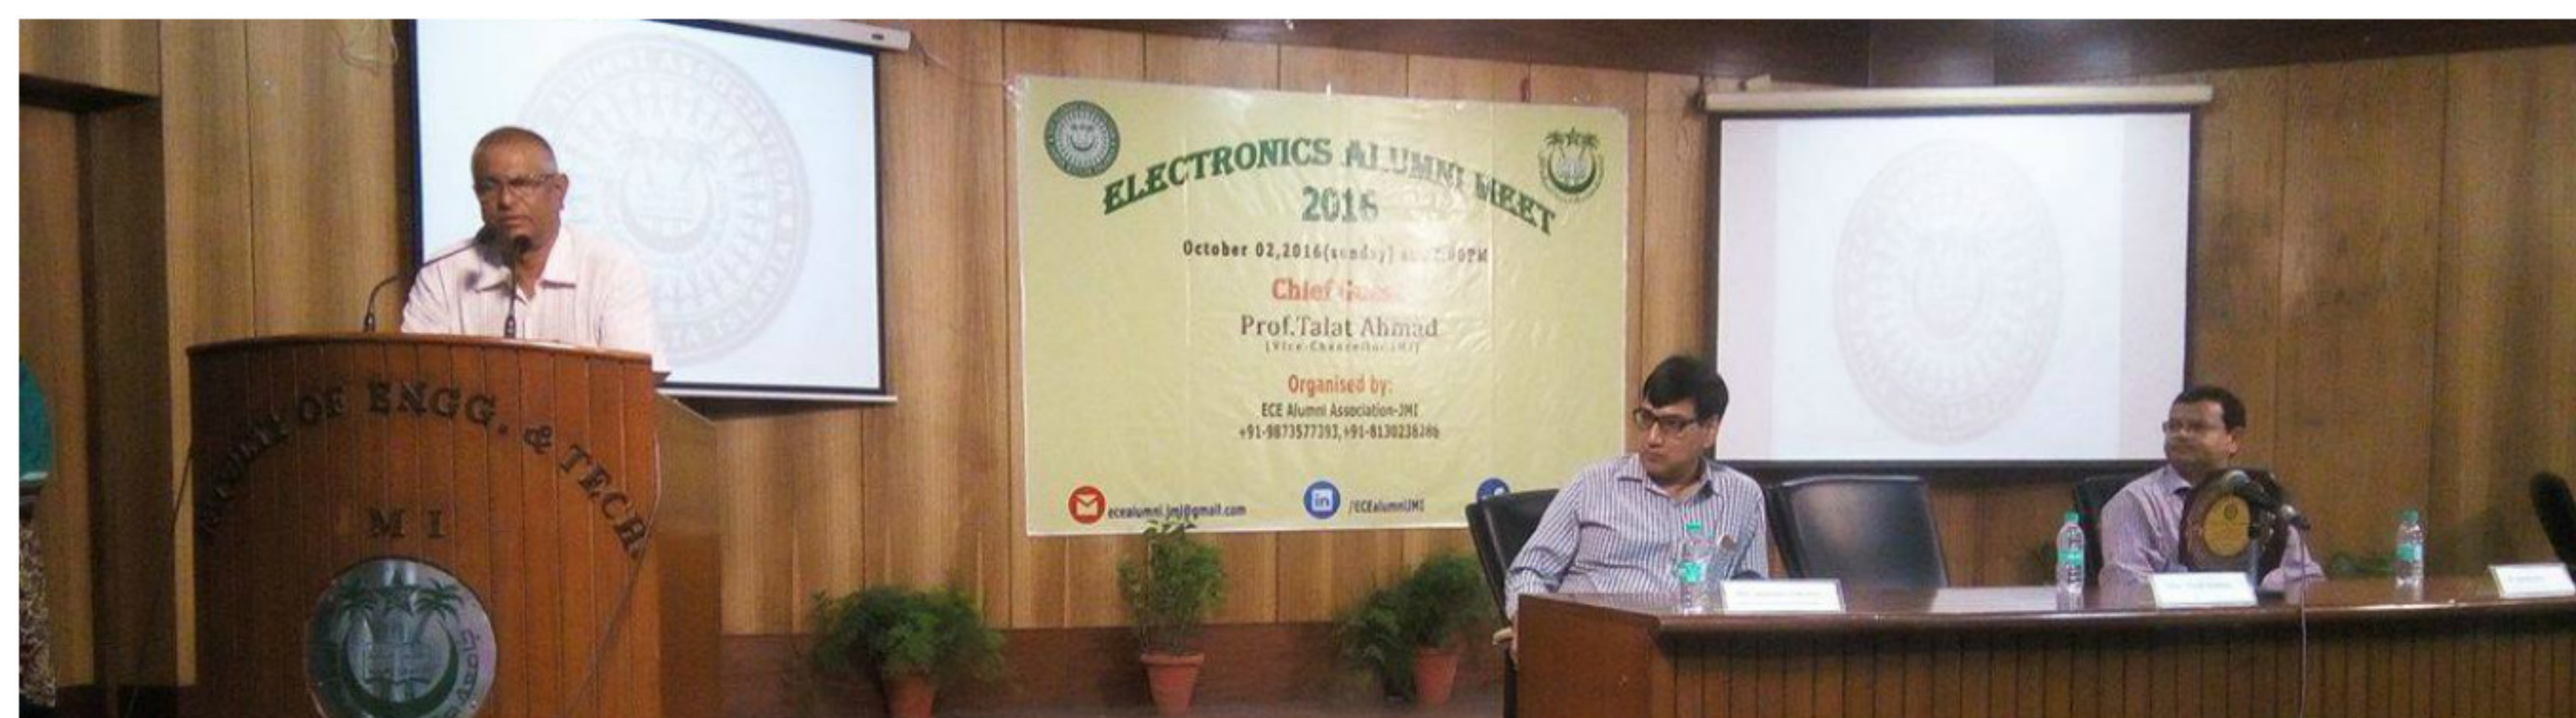

Prof. Mainuddin senior alumni and HOD, Electronics and Communication, Prof. Moshahid Alam Rizvi, Director, Global Jamia Alumni Network also addressed the audience.

Earlier in an open interaction session, one of the alumnus, Mr. Anil Kumar Singh, Director, Service Delivery assured the students all help in getting jobs asking them to be industry ready with professional trainings and certifications.

In his vote of thanks, Mr. Taique Alam thanked the Chief Guest, Prof. Talat Ahmad and other dignitaries including the OSD, JMI Prof. Sharfuddin Ahmad and Dr. Mansaf Alam for consistently encouraging and helping to organize this meet.

Prof. Saima Saeed
