Press Release

**JMI's B.Tech. Final Semester (All branch) results declared in record time**

Office of the Controller of Examinations (CoE) of Jamia Millia Islamia has declared the regular exam result of B.Tech Final semester (All branches) in record time. The final examination was held on June 8 and the result was declared on June 22, 2017.

This was possible due to new automation system placed in examinations office. The friendly automation system enables the faculty members to enter the marks online. In the past, these results were declared very late due to manual tabulation.

Declaration of results with the help of the new automation system in time will help students trying for admissions for higher studies in India and abroad and also to those who are seeking employment.

The CoE office staff is working round the clock to declare the other remaining regular examinations results.

The Vice-Chancellor Prof. Talat Ahmad has expressed his happiness over the timely declaration of results and is committed to make examination system more transparent.
