MESSAGE

I am pleased to learn that Jamia Millia Islamia is holding its Annual Convocation 2019.

Established in pre-Independence era, Jamia Millia Islamia made a momentous contribution in strengthening the nation's unity and the socio-cultural fabric of our society during the freedom movement.

The Convocation ceremony is a memorable occasion for the students who will graduate from the University that had been their world, into a much larger world. The Convocation marks the beginning of the evolution of students into professional experts in their respective fields.

Our youth must excel in innovation and research and leverage technology for the benefit of the common man. The 21st century will belong to knowledge-rich societies and nations. I am sure that the sound academic and cultural grounding of the students and the alumni of the institution will help the nation attain greater heights of excellence.

Heartiest congratulations and greetings to the entire academic fraternity of Jamia Millia Islamia - teachers, students, alumni and all the people who have been associated with the University. I wish the Convocation ceremony all success and extend my best wishes to the students passing out from the University for a bright and successful future.

(Narendra Modi)
