The Dean (Student Welfare)

JMI, New Delhi

**Reg: Membership of Students in Subject Association**

**Through : Dean, Faculty of Management Studies**

Dear Sir

At Department of Management Studies, we have three morning programs namely MBA (Full Time), MBA (International Business) and MBA (Entrepreneurship and Family Business).

In terms of the constitution of the Subject Association, the students paying the fees towards Subject Associations Fund shall be the member of the Subject Association [Para C (2)].

As per the fee structure (as enclosed), only students of MBA (Full Time) are paying the fee towards the Subject Association. As such, given the fee structure of the students of MBA (International Business) and MBA (Entrepreneurship and Family Business) are not eligible to be part of the Subject Association.

We are to submit that given the professional structure of the MBA programs in general, it is felt that the students of MBA (International Business) and MBA (Entrepreneurship and Family Business) may also be included as part of the Subject Association. This would promote equity and harmony among students.

We seek your opinion on the matter and accordingly act as per your direction. In case the fee structure needs to be amended, we will follow the appropriate procedure.

Thanking You

Yours Sincerely

  
Prof. Pankaj Kumar Gupta
