JMI's Department of Psychology organizes Industry-Academia Interface, 2024

The Placement Cell, Department of Psychology, Jamia Millia Islamia (JMI) organized an Industry-Academia Interface, 2024 on 26th February 2024 in the Committee Room, Office of the Dean, Faculty of Social Sciences, JMI. The purpose of the interface was to bridge the gap between theory and practice and acquainting students with insights to thrive in the world of work.

Prof. Sheema Aleem, Head, Department of Psychology, JMI welcomed the distinguished speakers, faculty, and students to the meeting. She encouraged students to engage with the panel of speakers to develop real-world insights into applications of psychological knowledge in varied professions. Mr. Vikas Shukla a talent scientist at IBM's Workforce Science Center of Excellence, Dr. Upasana Chaddha Vij founder of Mindscape Centre for Counseling and Ms Tarannum Khan an analyst at Salto Dee Fe shared their expertise, wealth of experience and commitment to the intersection of psychology and industry. Engagement of students in the meeting reflected their curiosity, interest, and passion towards the fusion of their discipline and their future work life.

The meeting ended with a vote of thanks from a student placement coordinator of the Placement Cell, Department of Psychology, JMI.
