

6TH INTERNATIONAL CONFERENCE

on EMERGING TECHNOLOGIES: MICRO TO NANO (ETMN-2024)

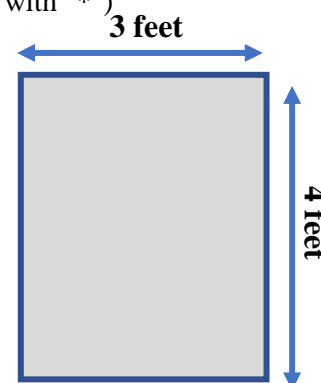

Jointly Organized by
Department of Electrical Engineering, Faculty of Engineering & Technology,
Jamia Millia Islamia, New Delhi & Manipal University Jaipur

GUIDELINES FOR POSTER PREPARATION

We expect well-articulated, expressive posters containing the crucial/ key points of your research. Poster evaluation would be carried out by a team of experts. The poster presenters are required to stay at the poster site for the duration of the poster session. The best posters from each theme will be awarded. The poster awards according to the theme would be conferred on 23 November during the valedictory session.

Your poster should typically have the following contents:

1. **Title** (to be placed at the top center of the poster)
2. **Names of all authors** with affiliations (corresponding author to be indicated with "**")
3. **Introduction**- motivation, objectives, context
4. **Methods/Materials**-theoretical models, experimental set up and procedures
5. **Results** of the study supported by graphs, tables, etc.
6. **Discussion and conclusions**-highlight significance of the findings.
7. **Acknowledgements and references**

ADDITIONAL INFORMATION:

- The maximum usable area provided on the display board for the poster is 1.2m (width) x 1.4m (height) in portrait orientation. So, your poster dimensions should be 1 m x 1.2 m (3 x 4 feet).
- The poster should be designed in an integrated fashion covering all the contents listed above.
- Printing on separate small sheets and pinning together is not allowed.
- The font size should be large enough, so that it can be readable from 1 meter distance.
- Avoid hand drawn materials.
- Make sure that it has a logical flow.
- Use color, graphics, charts, and photos.
- You are requested to mount and dismantle your posters at the following designated time on the day advised for your poster display:

Day 1 (22 November 2024): Mounting: 2:45 pm - 3:45 pm | Dismantling: 4: 00 pm

Day 2 (23 November 2024): Mounting: 1:30 pm - 2:30 pm | Dismantling: 3: 00 pm
