**Broadcast Content:**  
The programmes on Jamia Community radio also focus on education, health and hygiene, environment, horticulture, community development, social awareness, civic condition, courses and curricula, enrichment, sports, science, career and job orientation and entertainment. To cater to the ever increasing demands of the community listeners, we started several new programmes in addition to the already existing bouquet of interesting programmes including a daily entitled Fare Trade, a series of health programme Safina etc. A part from this we also broadcast a weekly programme Career And Guidance for the unemployed youths. The other programmes are: science talk, radio Jamia club presentation, Sports Round Up, Jamia Nama, Education Zone, Ek Daniya Ek Awaz. There is a Daily programme on light music. Q&A as well. All of these programmes have gained popularity amongst the listeners. Radio Jamia is utilizing the services of members, students and faculty members of JMI to run the show. As can easily be discerned our wide range of programmes on social, cultural and local issues. The format, presentation, and language, reflect and exude the local flavor and fragrance.

NGOs "Pratham" and "Butterfly" contributed radio Jamia by sending their children who performed for drama and other programmes. We also acquired health programme Ek Daniya Ek Awaz, from NOIDA based NGOs and DYNA PRINCE WALES HEALTH EDUCATION AND, MEDIA CENTRE and broadcast 15 episodes on Leprosy awareness and Malaria awareness etc.

**Capital Sustenance:**  
Capital Expenditure Rs.15 lacs & Recurring Expenditure Rs.24 lacs per annum.

**Success Story:**  
Radio Jamia played a vital role in maintaining communal harmony during the Batla House encounter.
