In the ongoing month-long celebration of World Tourism Day 2026, tourism quiz competitions was organized for the students on 16th September 2026.The event was organized as an academic and interactive activity that provided students with an opportunity to test and demonstrate their knowledge of tourism and related areas in a competitive and engaging environment. The competition brought together students from both tourism programmes and provided a common platform for interaction between students of different academic levels. Along with testing academic knowledge, the quiz focused on developing quick thinking, teamwork, decision-making ability and confidence among the participants.

For the competition, six mixed teams were formed. The mixed-team format encouraged students from different academic levels to work together and share their knowledge and understanding of tourism-related subjects. The competition was conducted through three stages, with teams progressing to the next stage based on their performance. Each stage required the participants to demonstrate not only their knowledge but also their ability to think quickly and work effectively as a team. The first stage of the competition was the Preliminary Round, in which all six teams participated. The round consisted of questions related to tourism and general tourism knowledge.

The questions were designed to assess the participants' understanding of different aspects of tourism and their ability to recall relevant information. All six teams actively participated in this round. Their performance was evaluated on the basis of their answers, and the teams with better performance qualified for the next stage. At the conclusion of the Preliminary Round, four teams qualified for Stage II of the competition. The second stage was the Pass and Pounce Round, in which the four qualifying teams competed against one another. This round introduced a more strategic element to the competition. Therefore, the round tested the participants' knowledge, alertness, speed of response and strategic decision-making. The Pass and Pounce Round created an engaging and competitive atmosphere . Third and final stage of the competition was contested by the two qualifying teams.

The final round required the participants to demonstrate their knowledge, concentration, quick response and teamwork. After the completion of the final round, the scores were evaluated to determine the final result. Based on the performance of the teams, Group 1 emerged as the winner of the Tourism Quiz Competition. The winning team, Group 1, comprised the following students: Mehar Bano Areeba, Mohammad Talha, Hiba Monis, Saqib Mujaffar, Mohd Maaz Khan, Ankit Chauhan, Aamir Javaid.
