FACULTY OF DENTISTRY, JAMIA MILLIA ISLAMIA

Day 1

WEDNESDAY, FEBRUARY 21, 2024

AND THE ADVENTURE BEGINS...

Dear Readers,

Faculty of Dentistry, Jamia Millia Islamia is happy to share the update of its cultural and sports festival ZEST which was organised for the fifth time since the college came into being. Our University boasts of a NAAC rating of A++, which is a testimony of its vision to foster excellence. But the ethos of Jamia focuses not only on academic excellence, but also nurture all-round holistic development. With this festival ZEST, we embark on this journey to ignite brilliance and celebrate the spirit of togetherness. As we delve into the festivities, we are reminded of our rich academic legacy spanning for over a century. At Jamia, education goes beyond textbooks; it encompasses co-curricular activities like ZEST that polish our students and equips them with invaluable life skills. Through ZEST, we pay homage to the tenets of "Viksit Bharat"-a vision of a progressive and empowered India. It is a celebration of creativity, camaraderie, and resilience, where students from various colleges and universities come together to showcase their talents and embrace healthy competition. As we gather to participate in the various events, we truly experience the importance of collaboration, leadership, and initiative. Let us seize this opportunity to excel academically and also to develop skills to contribute meaningfully to society. Here's to a jubilant and successful ZEST 2024!

Ignite your brilliance
प्रतिभा के रंग उत्साह के संग

INAUGURATION CEREMONY

Much-awaited two-day extravaganza, ZEST 2024, organized by the Faculty of Dentistry, Jamia Millia Islamia, was successfully inaugurated with the gracious presence of several esteemed dignitaries presided over by the Chief Guest, Hon'ble Offg. Vice Chancellor, JMI, Prof. Eqbal Hussain. The event began with the Dean, Faculty of Dentistry, Prof. Keya Sircar extending a warm welcome to all the participants. She highlighted that the organisation of such events was an extension of NEP and Viksit Bharat Abhiyan. The Chief Guest, Hon'ble Offg. Vice Chancellor, JMI, Prof. Eqbal Hussain also extended his heartiest wishes to the Faculty for this event. Prof. Gurjeet Kaur who was present on the behalf of Dean Students' Welfare, Prof. Seemi Farhat Basir also complimented the Faculty for organising this event. Organizing Secretary, Prof. Tanveer Ahmed, and Prof. Harneet Kaur extended deepest gratitude to all for making this event possible. A memoir book was also released for ZEST 2024 by the dignitaries which showcased the spirit of the festival. The success and fervour of the event could be judged by enthusiastic participation of over 550 students from 10 dental colleges of Delhi and NCR, including Maulana Azad Institute of Dental Science, ESIC Dental College, Manav Rachna Dental College, Sharda Dental College, Indraprastha Dental College and Hospital, DJ College of Dental Sciences and Research, PDM Dental college and Research Institute, ITS Dental College, Hamdard Institute of Medical Sciences and Research and our very own Faculty of Dentistry, Jamia Millia Islamia .

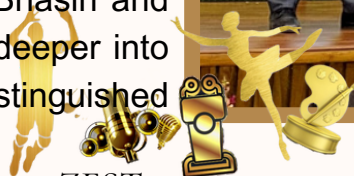

"From humble beginnings to grand adventures ahead."

GUEST LECTURE

A guest lecture, on 'Dental Practice Start-Up Tips' was delivered by our esteemed Speaker, Dr Kapil Raina on establishing an independent clinical practice after completing graduation in dentistry. It created an engaging atmosphere, shedding light on the subject with many queries put up by our much-enthralled audience. Subsequently, Dr. Simranjit Singh delivered a comprehensive presentation on the diverse career avenues available to dental graduates, providing invaluable insights into the professional landscape. The lectures were succeeded by an interactive session moderated by our Chairpersons, Prof. Saranjit Singh Bhasin and Prof. Dr. Sukhdeep Singh, who delved deeper into the enlightening deliberations by our distinguished speakers.

"Inspiration awaits, as wisdom takes the stage."

‘KOLAM’-RANGOLI

A colourful event ‘Kolam’ began on Day 1 as an offstage event which livened up the premises of Safdar Hashmi Amphitheater. The day started with the vibrancy of colours and dexterity of hands of the creative students from different colleges who created stunning masterpieces using powdered pigments and flower petals. They brought to life the theme of ‘Viksit Bharat’ through their imagination and art. This experience provided the participants and all of us an opportunity to immerse ourselves in the beauty of Indian art and culture and witness a culmination of tradition with creativity to create a tapestry of joy and harmony.

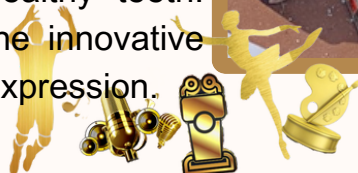

“रंगों की
रचना, सौंदर्य
की कहानी।”

‘INGENIOUS DENTISTRY’ - DENTAL MATERIAL AMALGAMATION ART

Safdar Hashmi Amphitheater witnessed another creative event focussing on Art Amalgamation using dental materials, primarily to make the students from different colleges to use their imagination and have fun with the same materials, which they routinely used for the laboratory work. This event bridged dentistry with creativity, showcasing the artistic side of dental professionals and also showcasing a strong message for humanity. Few of the creations included a dental plaster model displaying women empowerment, an innovative phone case, a hand cast, dental-themed mobile cover, and a tooth pop model illustrating healthy and unhealthy teeth. Such variety was a testament to the innovative fusion of dental science and artistic expression.

*"Creativity is
intelligence
having fun." -
Albert
Einstein*

‘ARTISTIC EXPRESSIONS’ - FACE PAINTING

The event ‘Artistic Expressions’ on face painting got the participants as well as onlookers much enthused and involved. Face painting was an exciting proposition for the participants who wished to express their thoughts through colors, creativity, and imagination. The hottest face painting trends swept the scene, from intricate designs to bold color palettes. Under the watchful eyes of the judges, participants unleashed many resonating themes including women empowerment, and the vivacity of India, each of which was accompanied by its own story and aspirations.

“Unlock your imagination and let your face tell a story”

‘INSIGNIA’-LOGO DESIGNING

Participants poured their creativity into the Logo Designing Competition, capturing the expressive spirit of ZEST. Designs blossomed into visual representations of enthusiasm and energy. This event symbolized more than just artistic flair; it underscored the significance of visual identity in embodying the essence of ZEST. Participants from various colleges presented their designs encapsulating the dynamism and vibrancy of our annual extravaganza, leaving an indelible mark on ZEST's legacy.

“Design is the silent ambassador of your brand”

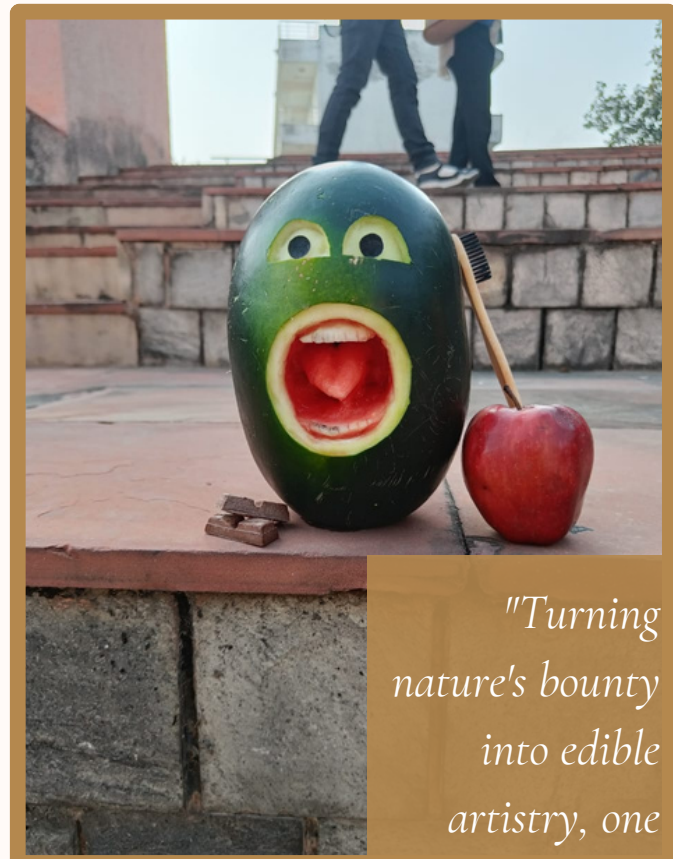

Photography is the story I fail to put into words." - Destin Sparks

‘PERFECT PIXEL’-PHOTOGRAPHY

Within the picturesque premises of Jamia Millia Islamia an event of photography was conducted as a celebration of creativity and visual storytelling. Participants from different institutions converged here to click the action of ZEST and showcase moments that transcend time. The pictures received captured each and every event's mood, excitement, disappointment, and, all in all, the spirit that represents ZEST. In the realm of photography, every submitted image was a chance to immortalize a moment, to weave a narrative that transcends boundaries and speaks to the depths of the human experience.

‘FOOD ART’- FRUIT & VEGETABLE CARVING

An event on fruit and vegetable carving took us down memory lane, where we remembered the times when we had all displayed our carving skills on fruits and vegetables at one time or the other. This event got the participants interested in creating shapes with skillful hand dexterity to display their talent in combining dentistry with artistry. From displaying astonishing skills by carving a face into a watermelon and exquisite arrangement of fruit peels, this event showcased the artistic side of dental professionals and fostered interdisciplinary collaboration. Fruit and vegetable carving holds significance as a culinary art form, promoting precision, creativity, and attention to detail.

"Turning nature's bounty into edible artistry, one slice at a time."

‘VOX POPULI’- INTER-COLLEGE DEBATE

Keeping up with the youthful spirit of the morning, next in line was the much-anticipated inter-college debate competition. Everyone would agree with the statement that there couldn't possibly be anyone more capable than Gen Z for dissecting and presenting the chosen topic – ‘Social media influencer as a career choice.’ The participants put on a memorable show because of the characteristic sarcasm, cut-to-the-chase personalities, and witty quips that they're known for. Compelling arguments were put forward both for and against the motion. The event was judged by external and internal judges. It was a difficult task for them as numerous participants competed with each other displaying their quick-wittedness, fluency and clarity of thought.

“Freedom is hammered out on the anvil of discussion, dissent and debate.”

NUKKAD NATAK

After a couple of hours of the fest, the audience moved from the red folding seats of the M.A. Ansari Auditorium to the rows of stone steps of the Safdar Hashmi Amphitheatre for the Nukkad Natak performances by Faculty of Dentistry, JMI and Manav Rachna Dental college. Faculty of Dentistry students gave a heart-rending performance that laid bare the ugly reality of our world which is tantamount to hell for children with special needs. Manav Rachna Dental college followed this with a very fun and upbeat performance. MRDC's performance was on "Log Kya Kahenge," tackling societal pressures and expectations.

“All the world's a stage, and all the men and women merely players.”

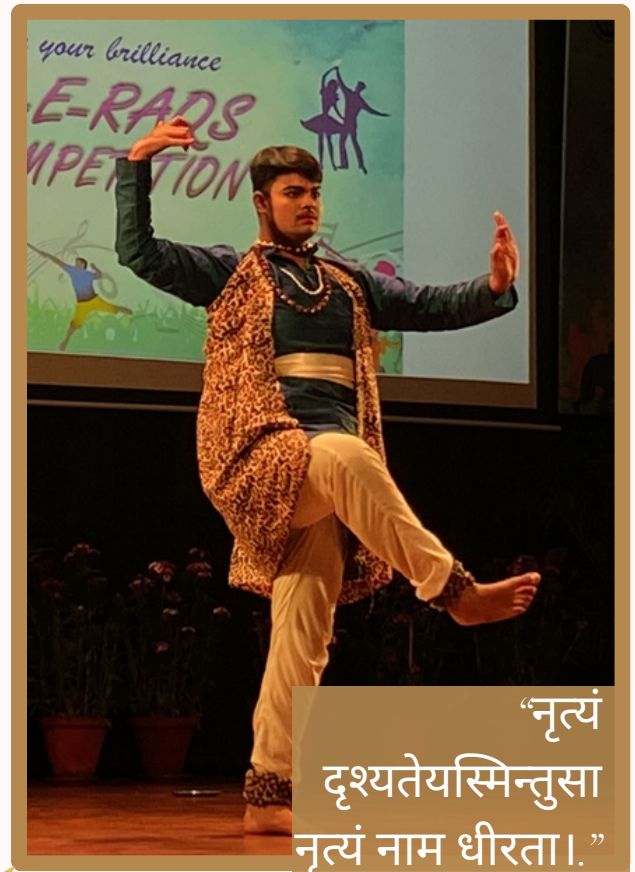

"Music is the universal language of mankind."

‘SUREELA SAFAR’ -MUSIC COMPETITION

ZEST 2024 was a platform for celebration of diverse musical expressions, and a testament to the unifying power of music. Solo performances included well-loved bollywood songs by Arijit Singh, a remarkable duet was presented on one of Nusrat Fateh Ali Khan's most famous qawwalis, 'Kaali Kaali Zulfon Ke Phande Na'. The event came to an end with a soulful group performance on the Sufi song 'Kun Faya Kun' that mystified the entire theatre. The music soulfully connected with the audience, igniting sparks of joy and stirring the depths of their emotions. Heads bobbed, feet tapped, and hands clapped in unison, with the whole auditorium glowing like a night sky as the audience put the flashlights of cellphones on creating a sea of shared energy that washed over the performers and fueled their passion.

‘SHAAM-E-RAQS’ - DANCE COMPETITION

Taking inspiration from the spirit of dance that transcends boundaries and brings people together in celebration and expression, ZEST 2024 organised “Shaam-e-Raqs”. From classical kathak to contemporary hip-hop, there was something for everyone. The dances broke gender stereotypes and depicted many sensitive topics like acid attacks on women, mythological story of disrobing of Draupadi, and many more. The air buzzed with excitement as dancers executed flawless routines, captivating the audience with their grace, precision, and emotive storytelling. Each performance was a masterpiece in its own right, leaving spectators in awe and applause echoing through the auditorium.

“नृत्यं
दृश्यतेयस्मिन्तुसा
नृत्यं नाम धीरता।”

VALEDICTORY CEREMONY

The conclusion of the cultural events was commemorated at the valedictory ceremony held at MA Ansari Auditorium, Jamia Millia Islamia. This ceremony served as a moment of reflection, appreciation, and celebration of the rich diversity and talent within our community. Throughout our cultural events, we witnessed remarkable performances, exhibitions, and displays of creativity that have not only entertained us but also enriched our campus life. From vibrant dance performances to captivating musical renditions, each contribution added to the vibrant tapestry of our cultural heritage. Heartfelt appreciation was extended to the organizing committee members, performers, volunteers, sponsors, and everyone who dedicated their time and effort to ensure the success of all the events. The cultural events at the Faculty of Dentistry emphasised the importance of embracing diversity, fostering creativity, and building strong bonds within our community. The valedictory ceremony concluded with all participants expressing their desire to meet again in future editions of ZEST to celebrate our shared passions and talents.

DAY 2

SPORTS DAY INAUGURATION

The morning sun illuminated the MAK Pataudi Stadium, signaling the dawn of the second day of our fest. Excitement brimmed in anticipation of the sporting festivities ahead. With fervor and anticipation, sports enthusiasts eagerly awaited the day's events. In a ceremonial inauguration, our esteemed Dean, Prof. Dr. Keya Sircar, alongside the Chief Guest, Director of Games and Sports, Prof. Waseem Ahmad Khan, emphasized the significance of sports in fostering teamwork, discipline, and physical well-being. Their presence underscored the importance of athleticism and camaraderie, igniting the spirit of competition among the participants. As the ribbon was cut amidst cheers and applause, it marked the commencement of a day dedicated to the thrill of sporting endeavors. In today's society, where sedentary lifestyles are increasingly prevalent, sports play a crucial role in promoting an active and healthy lifestyle. Beyond the physical benefits, sports instill valuable life skills such as leadership, teamwork, and resilience, empowering individuals to overcome challenges and strive for excellence.

*"The only one
who tell you
"you can't win'
is you and you
don't have to
listen."*

ATHLETICS

The much awaited sports Day of zest, 2024 was kickstarted with athletics events like the 100-metre dash followed by a 200-metre sprint. Next in line was a stellar display of teamwork in the form of a 400-metre relay race marking an end to the student athletics.

"Age is just a number". Personifying this quote were the enthusiastic faculty members of Faculty of Dentistry who participated in a 100-metre sprint.

BADMINTON

The shuttlecock soared across the court as competitors showcased their agility and finesse in the badminton competition. Athletes from various universities engaged in exhilarating matches, demonstrating their skill and determination. Spectators were treated to an array of thrilling rallies and strategic plays, as players vied for dominance on the court. The atmosphere was charged with excitement, with each point won or lost intensifying the competition. From powerful smashes to deft drops, every shot was executed with precision and focus. Despite the intensity of the matches, sportsmanship and camaraderie prevailed, as players supported and encouraged each other throughout the tournament.

*"Where
agility,
strategy, and
passion collide
on the court."*

*"Chess:
where
strategy
meets
intellect."*

CHESS

The Zest 2024 Chess Tournament witnessed an exhilarating display of strategic prowess and intense competition held at MAK Patudi sports complex. The tournament attracted participants from diverse skill levels, promising an engaging and memorable event for all involved. The tournament followed a knock out format, ensuring that participants were paired against opponents of similar skill levels in each round.

TABLE TENNIS

In the morning, players and spectators eagerly gathered for the table tennis matches, featuring both singles and doubles competitions for boys and girls. Everyone displayed impressive talent, with moments of intense anticipation that filled the air with silence, punctuated only by the sound of the table tennis ball.

*"Only those with
the quickest of
reflexes and most
accurate aim
wins"*

BASKET BALL

As noon approached, the basketball court of the MAK Pataudi sports complex became the focal point as spectators eagerly gathered to witness the inter-college basketball matches. Both men's and women's teams showcased their skills in the competition. Faculty of Dentistry, JMI's formidable women basketball team lived up to their reputation, securing a hard-fought victory against the team from Manav Rachna Dental College in an exhilarating match. In the men's category, Faculty of Dentistry, JMI demonstrated their prowess by defeating Manav Rachna Dental College in the first match, advancing to the final round. The final showdown pitted Faculty of Dentistry against ESIC Dental College, with the latter emerging victorious in a thrilling match that kept everyone on the edge of their seats. The intense competition showcased the dedication and talent of all the teams, fostering a sense of sportsmanship and camaraderie among participants and spectators alike.

*“Basketball
isn't just a
sport. It is
an Art”*

*"You can cut
the tension
with a
cricket
stump."*

CRICKET

Bringing out their inner kid, the faculty members of the Faculty of Dentistry, JMI played a fun cricket match with their students. The women faculty defeated the student faculty with a huge margin. The men's cricket tournament was between two teams; one formed by 1st years and interns who competed with 2nd, 3rd and 4th years in the opposing team. The match was won by the latter team called Jamia Knight Riders who managed to chase down a challenging target of 120 runs in just 13.3 overs. Overall the event helped create an encouraging atmosphere, where the message was clear: No matter how far you reach in life, there should always be time for a fun sport

TUG OF WAR

"United we stand, divided we fall". Adding personification to this quote was the 'Tug of War' sport, held between various dental and medical colleges of the NCR region, in the sports complex. Students organised in teams of 10 competed, testing their team's coordination and individual strength blended in the perfect art of teamwork. Both the boys and the girls participated with equal zeal and displayed great feats of strength.

*"It's not about
the strength
but unity of
team that
wins."*

*“A test of
coordination
and friendship”*

3-LEGGED RACE

In the spirit of camaraderie and friendly competition, participants gathered for the much-anticipated 3-Legged Race. Laughter filled the air as pairs of friends braced themselves for the challenge, their legs bound together in a shared pursuit of victory. The race not only tested their physical coordination but also strengthened their bond as teammates, as they navigated obstacles together with synchronized movements. Each pair demonstrated resilience and perseverance, embodying the true spirit of teamwork amidst cheers and encouragement from the crowd.

SPOON RACE

The Spoon Race with Lemons challenged students to balance lemons on their spoons while reaching the finish line the fastest. Enthusiastic students from various colleges eagerly participated in the spirited competition. Participants devised creative strategies to keep their lemons balanced, including adjusting their grip on the spoon and maintaining steady movements. The Football ground of MAK Pataudi stadium echoed with laughter and cheer as students cheered on their teammates and competitors, creating a vibrant and supportive atmosphere.

*“Be moderate
in order to
taste the joys of
life in
abundance.”*

ALUMNI DINNER

FACULTY OF DENTISTRY, JAMIA MILLIA ISLAMIA

Day 2

THURSDAY, FEBRUARY 22, 2024

IT COMES TO AN END...

ZEST 2024 ended with an alumni meet of Faculty of Dentistry at Nehru Guest house which happened for the very time in its history with over 100 alumni from the 2009-2018 batch joining for this joyous gathering. The celebrations multiplied when the teaching and non-teaching faculty who had superannuated in the past few years also joined as guests in the meet, and interacted with the alumni and present faculty.

Events like these distinguish our institute from a mere academic fulcrum and establish it as a concrete concoction of equivocal co-curricular activities with hinged academic excellence. This is what Jamia has been all about, in its more than 100 years of lustrous legacy.

We look forward to many more opportunities to reconnect and celebrate together in the future!

We will meet soon...
