

**Department of Electrical Engineering
Faculty of Engineering and Technology
Jamia Millia Islamia, New Delhi**

INVITATION FOR DISTINGUISHED LECTURE

**The Subject Association of the Department of Electrical Engineering, Jamia Millia Islamia
and
The Computational Intelligence Society, IEEE - Delhi Chapter**

Invite you to the

DLP Seminar

By

Prof. Jun Wang

**Director, Computational Intelligence Laboratory, Chinese University of Hong Kong
on**

Neurodynamic Optimization Approaches to Model Predictive Control

On 18th March 2011 at 02:30 pm

In the Committee Room of the Faculty of Engineering and Technology

Jamia Millia Islamia, New Delhi – 110025

**Dr. A. S. Siddiqui, Coordinator,
Subject Association
Department of Electrical Engg., JMI**

**Prof. A Q Ansari
Chairman, IEEE-CIS Delhi Chapter
Head, Dept. of Electrical Engg., JMI**
