

## **AUTHOR GUIDELINES**

- 1: Authors are invited to electronically submit their full length unpublished and un-submitted paper written in English up to 06 pages according to IEEE Proceeding format guidelines, presenting the results of original research or innovative tools and practical applications relevant to the workshop. Those interested can email their research papers to [nwtb\\_paper@jmi.ac.in](mailto:nwtb_paper@jmi.ac.in)
- 2: All accepted and registered papers will be included in the proceeding that will be published and is expected to be released at the inauguration of the workshop.
- 3: All submissions will be refereed by experts in the field based on originality, significance, quality and clarity
- 4: All contributions must be original, should not have been published elsewhere and should not be intended to be published elsewhere during the review period
- 5: At least one of the authors of each accepted paper must register for the conference and present their paper in person at the conference
- 7: Kindly do not submit the paper multiple times, it may lead to cancellation of an article/paper
- 8: All accepted papers submitted for publication will be checked with anti-plagiarism software to check the overlapping/similarity index of the content with already published material
- 9: The papers with high overlapping index will be either sent for revision or rejected according to the analysis reports
- 10: Please note that the process of checking and further revision will delay the publishing process
- 11: Workshop kit will be provided to registered authors only
