# **XXI Abdus Salam Memorial Lecture 2026**

***Building Physics One Atom at a Time***

*By*

***Professor Sadiq Rangwala***

**Raman Research Institute, Bangalore, India**

The Abdus Salam Memorial Lecture, started by the Department of Physics, Jamia Millia Islamia, New Delhi, tries to perpetuate the ideas that Salam believed in; namely the need for developing countries to encourage education and research in the fundamental sciences. An eminent person of science is invited each year to deliver this lecture. The style and content of the lectures is such as to inspire and to convey the excitement of new discoveries, ideas and challenges.

Professor Sadiq Rangwala has been a faculty member at the Raman Research Institute, Bangalore, India, since 2004. Prior to this, he held a postdoctoral position at the Max Planck Institute of Quantum Optics in Garching, Germany, and earlier served as a postdoctoral researcher at the Institut d'Optique, Orsay, France from 2001 to 2004. He also conducted postdoctoral research during 1999–2001 following completion of his Ph.D. at TIFR under the supervision of Prof. E. Krishnakumar. He earned his M.Sc. degree during in 1993 and obtained his B.Sc. degree in 1991 from St. Xavier's College, Mumbai. He was awarded the Shanti Swarup Bhatnagar Prize in 2014.
