

13th Feb 2021: Department of Oral and Maxillofacial Surgery organizes a webinar on “Maxillofacial Rehabilitation: The way ahead”

The poster features a central graphic of a human jaw with dental implants. The text is arranged in a structured layout, starting with the department name and logos at the top, followed by the event title and date. A registration box is placed below the date. The bottom section lists the roles and names of the participants, each accompanied by a small portrait photo.
