

# One day Workshop on Advanced EEG (3 D Localisation of Sources) & "Biofeedback" Solution for Sports Rehab & Peak Performance

## Cereberal Function Monitoring

### Resource Persons: -

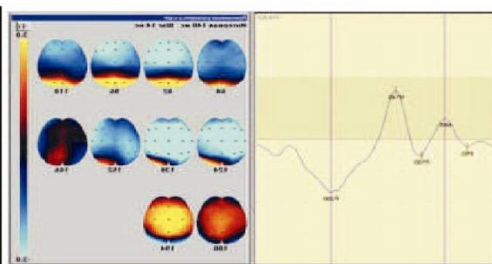

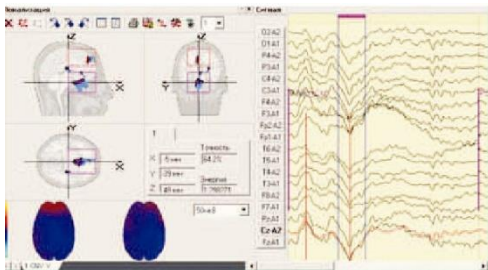

1. Eugene Zakharov (PhD in Technical Sciences),
2. Anatoly Skomorokhov (PhD in Biological Sciences), and
3. Pavel Zakovorotnyy
4. Dr. Anatoly is an expert in EEG system, Functional Brain Asymmetry analysis, EEG evoked potential studies (audio Visual), Cerebral Function monitoring for ICU and NICU, epileptological studies and Polysomnography

Date: - October 08, 2014(Wednesday) Time: - 10:30am

Venue: - Centre for Physiotherapy and Rehabilitation Sciences, JMI

### 3d Localisation of Sources

### Audio Video Evoked Potential

Organized Jointly By: - Centre for Physiotherapy and Rehabilitation Sciences, JMI
