About Us

JAMIA MILLIA ISLAMIA

Jamia Millia Islamia, an institution originally established at Aligarh in United Provinces, India in 1920 became a Central University by an act of the Indian Parliament in 1988. In Urdu language, Jamia means ‘University’, and Millia means ‘National’.

The story of its growth from a small institution in the pre-independence India to a central university located in New Delhi—offering integrated education from nursery to research in specialized areas—is a saga of dedication, conviction and vision of a people who worked against all odds and saw it growing step by step. They “built up the Jamia Millia stone by stone and sacrifice by sacrifice,” said Sarojini Naidu, the nightingale of India. Jamia is a NAAC A++ accredited university and it has been declared as the 3rd top university in India in NIRF, 2022.

DEPARTMENT OF ECONOMICS

The Department of Economics is one of the oldest Departments, established in 1971, under the Faculty of Social Sciences. The department is highly reputed and well- recognized in the country for its Programmes, viz., Ph.D., M.Phil. M.A. (Economics), M.Sc. (BFA) and B.A. (Hons.), as it has always maintained high standards of the teaching-learning process. It has state-of-the-art Infrastructural support, Smart Class Room, two other classrooms with AC facilities, and a Computer Laboratory well-equipped in terms of Hardware and Software, including application of Econometric Software’s like SPSS, E-views, STATA, R and Python etc.

ABOUT THE WORKSHOP

SPSS (Statistical Package for the Social Sciences) is a windows based program which is handy and approachable program designed to undertake a wide range of research. It is highly useful statistical software for organising, manipulating and analysing data. In this context, department of economics under the aegis of

Golden Jubilee celebrations decided to organised a one day workshop on SPSS for research scholars form various streams of Jamia Millia Islamia.
