## APPEAL

In view of the unfortunate incident which has taken place in the Jamia Millia Islamia Campus wherein some of the students have been injured in police action, it has come to the notice of the administration that there are certain sections who are floating the appeal for voluntary donations/contributions. It is hereby clarified that there is no official request from the University side for any voluntary donations or financial assistance to anyone.

The University has sufficient resources to extend all kind of medical and other assistance to its students and strongly discourages any effort by any organization to collect donations in the name of Jamia Millia Islamia.
