NOTICE

An Internal Fact Finding Committee has been constituted, which has been tasked to collect all the facts of the series of incidences that occurred inside the university campus in the wake of recent unauthorized entry of police in the campus and physical injuries inflicted by police action, including videos, photographs and affected students' versions in writing. Names, addresses, class in which studying, along with the date of incident should be included.

These authenticated versions will assist the University in presenting its report before the appropriate bodies like a high powered committee/ judicial committee/ National Human Rights Commission for legal purposes.

The resident students should submit their versions through their respective provosts, while non-resident students may submit them through their respective Deans.
