

Ethical Guidelines for Authors

(Clear Guidelines for Ethical publishing practices)

Publication Ethics (Tips for the authors)

1. **Declare exclusivity:** Confirm that your manuscript is not published elsewhere.
2. **Originality:** Authors must submit the originality certificate of the manuscript.
3. **Copyright certificate:** Authors should also sign and submit the copyright transfer certificate to the publisher.
4. **Ensure informed consent:** Show informed consent and protect author's rights.
5. **Avoid bias:** Be vigilant about any possible bias and follow guidelines for accurate, reliable and valid research.
6. **Report errors:** Inform the journal if you discover errors in your research post-submission.

Plagiarism prevention

We do not accept any article/research paper for publication in Tadrees Nama if the similarity index is more than 10%. To ensure this, we take from all authors 'Certificate of Originality and Copyright Transfer'. Without submission of the certificate, we do not accept papers for publication in 'Tadrees Nama'.
