Q-6 Write Short Notes on any two –

a) Gender and Curriculum

b) Gender Sensitization

c) Gender Identity Construction

d) Gender-Just Education

e) Role of Schools in Gender Equality

## **B.Ed 18**

### **Creating an Inclusive School**

**Note: Attempt any 2 questions from the following. All questions carry equal marks. (7.5\*2=15 Marks)**

Q-1 What are the Medical Model, Social Model, and Rights-Based Model of disability? How do these models influence the understanding of impairment, disability, and handicap as described in ICIDH and ICFDH?

Q-2 How have national policies and programmes addressed the educational needs of children with special needs? What is the significance of the Kothari Commission, PwD Act 1995, RTE Act 2009, and RPwD Act 2016?

Q-3 Why is the involvement of parents and the community essential for the success of inclusive education? How can schools encourage active participation of parents and community members in supporting children with special needs?

Q-4 What are the major attitudinal, infrastructural, and social barriers faced in inclusive schools? How can strategies such as zero rejection, a barrier-free environment, and the use of assistive devices help in overcoming these barriers?

Q-5 What is the role of a resource room in an inclusive school? How does effective management of resource rooms support children with special educational needs?

**Vocational/Work Education**

**Note: Attempt any two questions from the following. All questions carry equal marks. (7.5\*2=15 Marks)**

Q 1. Define the nature and meaning of Vocational Education. Contrast it with general academic education and justify why it is a "need of the hour" for the Indian economy. How do current policies ensure that vocational education is no longer viewed as a secondary option to traditional degrees?

Q 2. Analyse the impact of globalization on the traditional "Work and Knowledge" relationship. Discuss the pedagogical importance of Social Engagement and Community Work. How do these activities help students understand the socio-economic challenges related to Gender and Disability in the labour market?

Q 3. Explain the transition from Intrapersonal to International communication. Discuss the specific "Soft Skills" required for modern business environments, including Business Letter Writing and Electronic Communication. Identify three major barriers to communication and propose a step-by-step strategy to improve interaction skills within the family and society.

Q 4. "Effective management of self is the precursor to effective management of others." Evaluate this statement by exploring the Fundamentals of Management. Specifically, explain how Personal Management and Time Management techniques contribute to the holistic Personality Development of a teacher.

Q 5. Describe the various Typologies of Work in education. Argue the case for "Learning by Doing" through Field Experiences. How can a school curriculum be redesigned to ensure that work-based learning is not just an extracurricular activity but a core component of student engagement?

**B.Ed.23**

**Health and Physical Education/Yoga Education**

**Note: Attempt any two questions from the following. Each question carries equal marks. (7.5\*2=15 Marks)**

1. Compare and contrast school health services in urban and rural areas of India, highlighting challenges and potential solutions.
2. How can physical education programmes in schools incorporate mindfulness and yoga practices to enhance students' mental health?
3. Design a yoga program for school children that focus on stress reduction, and overall physical fitness. Write the role of the schools in promoting healthy eating habits among students, and how can they support nutrition education?
4. Develop a maintenance schedule and budget plan for managing sports facilities and equipment in a school or college setting.
5. Discuss the importance and significance of having physical education in the curriculum. Support your answer with appropriate examples.

**B.Ed. - 24**

**Peace Education**

**Note: Attempt any two of the following questions. All questions carry equal marks.  
(7.5\*2=15 Marks)**

1. Define peace education and discuss its meaning, nature, and scope with examples
2. Analyse the relationship between peace education and human rights education in building a culture of peace.
3. Analyze the concept of "Education for Peace as a Lifestyle Movement". How can this idea be practically implemented in schools and communities?
4. Examine the role of technology in peace education. How can digital tools be effectively used to promote peace and conflict resolution skills?
5. How should the curriculum for peace education be developed? Discuss factors that degrade learning into a burden.

**GUIDANCE AND COUNSELLING**

**Note: Attempt any two questions from the following. Each question carries equal marks. (7.5\*2=15 Marks)**

- 1) Define the terms 'guidance' and 'counselling' and elaborate on their fundamental purpose within an educational context. Explain how you would utilize educational guidance principles to assist a student experiencing difficulties with their study skills.
- 2) Examine the similarities and differences between directive and non-directive approaches in counselling. Discuss how the counsellor's function varies in each method and the subsequent impact on the client's experience.
- 3) Describe how projective techniques can be employed to evaluate a student's self-perception and how this perception influences their academic motivation. Include a description of a specific projective tool and detail its practical application in this context.
- 4) What are the principal challenges in delivering effective guidance and counselling within a distance education environment, and what strategies can counsellors employ to overcome these obstacles in order to better support remote learners?
- 5) What is the core distinction between projective and non-projective psychological techniques? Additionally, elaborate on how each method contributes to comprehending an individual's personality.
