JAMIA GEOGRAPHY ALUMINI ASSOCIATION (JGAS)

Jamia Geography Alumni Association (JGAS) has been formed by a group of likeminded Alma Mater alumni. The main purpose of this association is to develop a network of professionals who excelled in their fields after passing out from department of geography and who are ready to guide and support for professional growth and development of students of department of geography.

Objectives

- 1) To provide a platform for interaction between alumni, present students and faculty of the department of geography.
- 2) To make available the expertise and experience of the alumni for the development of research and educational activities of the department.
- 3) To act as a bridge between professionals for interaction on new developments in different areas of geography.
- 4) To carry out the following -
 - a) Function as visiting / guest faculty for the students.
 - b) Conduct meeting of educative topical value by inviting eminent personnel to address them.
 - c) To conduct competitions, seminars and workshop for the students.
 - d) To develop & maintain a web-site of the alumnus.
- 5) To grant free-ship Scholarships, Prizes, Monetary assistance, to the poor and deserving students.
- 6) To provide career and vocational guidance to youth.

Background

The Department of Geography was established in 1971. Since then, the department has acquired distinction in teaching and research as well as for dissemination of geographical knowledge both at the national and international level. The department offers B.A. / B.Sc. (H), M.A./M.Sc. and Ph.D. in Geography. Besides these conventional courses, the department also offers two technical courses: Post Graduate Diploma in Remote Sensing and GIS Applications and Post Graduate Diploma in Digital Cartography. These technical courses have also been included in teaching both at the under-graduate and post-graduate level. The ISRO, Government of India not only recognized the department as one of the leading centres for teaching RS/GIS but also funded the enhancement of the DIP/GIS labs to promote applications of these techniques.

Presently, there are about 400 students in the department studying in different undergraduate and postgraduate courses and more than 40 students pursuing their Ph.D. The thrust areas of the department are Regional Development, Urban Geography, Environmental Studies, Agricultural Geography, Population Geography, Gender Geography, Social Geography, Transport Geography and Urban Environment. Some major research proposals of the faculty are being funded by the DST, UGC and ICSSR. Presently, the department is also running M.Sc. and Diploma in Disaster Management courses and they are also offered under the department of geography in self finance scheme.

Jamia Geography Alumni

Department of Geography has completed 49 years and next year it will be celebrating its Golden Jubilee (50 years). The department has a large number of alumni which are spread all over the world and contributing in different fields very successfully, many of them are well placed in reputed institutions.

In order to bring geography alumni on one platform, an effort was being made by some of its alumni who organized a get together of Jamia Geography Alumni on 21st November 2020 for Centenary Celebration of Jamia Millia Islamia as the institution completed 100 years of service to the nation on 29th October 2020. This was a great occasion for the Jamia fraternity and for this reason an Alumni Meet was held in Hotel Surya, New Friends Colony New Delhi. This was a collective effort of Dr. Seemin Mushir, Mrs. Sualeha Mehdi, Mr. Mohammad Aariz Qureshi, Mr. Narendar Siani and Ms. Uroos Fatima.

On this Occasion this E-Directory has been compiled for the purpose of bringing Alumni of Geography department together by Mohammad Aariz Qureshi and Dr. Seemin Mushir.

A face book page (which can be accessed through (<https://www.facebook.com/Jamia-Millia-Islamia-GeographyAlumni100480435250022>)) of Jamia Geography Alumni has also been created by of Jamia Geography Alumni has also been created by Ms Samia Razi , an alumna of the Geography Department, to provide an E -Platform to the alumni of the department of geography. This is an effort to bring geography alumni together who are still not a part of this group. We are hopeful that when Geography Department will be celebrating its golden jubilee next year, we will be having a much larger group of Jamia Geography Alumini.

We believe that the efforts being made to bring all the alumni of Jamia Geography together will help other students of the department when they are in need. This data base will create a web of relations and hope this will prove to be very useful and fruitful for the younger generations to come.

Our Distinguished Alumnus:

1	Mr Virendra Sehwaq	Cricketer in Indian cricket team
2	Mr. Mohd. Shahid Alam	IFS, CG, Jeddah
3	Mr. Prashant Kumar Sinha	Joint Commissioner
4	Mr. Satish Prashar	Chief Town Planner Haryana
5	Mr. Saeed Ansari	Executive Editor and Anchor
6	Prof. Lalit Kumar Sagar	Vice Chancellor, Venkateshwara Open University
7	Prof. Shamim Ahmad Shah	Dean of School of Earth & Environment Sciences and Head of Department Geography & Disaster Management, University of Kashmir
8	Mr. Mohd Monis Khan	Town & Country Planner, ITPO
9	Mr. Madhusmita Moitra	Town planner Haryana
10	Mr. Dinesh Singh Chauhan	Town Planner Haryana
11	Mr. Nepal Singh Chauhan	Town Planner Haryana

JAMIA GEOGRAPHY ALUMNI ENGAGED IN COMMUNITY SERVICE

Our many alumni association members are engaged in community services. Some are running NGOs and some are working on voluntary basis with the self-help groups to serve the community in various fields. During pandemic many alumni members were engaged in distribution of ration Kits, medicines and food to patients and their relatives in and outside the hospitals. Some of the NGO's working for the welfare of the society are as described below:

ROSHAN TRUST

This trust is run by Mr. Irshad (an alumni of the department of geography) and his family. This trust has been working in the field of education and livelihood from last so many years.

Ultimate objective of Roshan Trust is to provide support to needy individuals for education and livelihood. Highlights of the various services provided by the organization for a social cause have been given below

1. Trust distributed and have been distributing Ration to the needy families in this time of distress.
2. Trust have been helping the Corona Patients by providing Oxygen Cylinder, arranging Ambulance and providing monetary help in some cases to meet their medical expenses. Trust has also supported financially to some non Covid Patient who were in need of urgent operation.
3. Every year, Trust have been providing financial assistance to some needy students who have lost their parents or earning members of their house by paying their tuition fee.
4. Trust is running an Educational Centre at Zakir Nagar for the children of poor and needy families and provide them Modern Education along with Islamic knowledge. Even during this Pandemic time, we were in touch with these children through digital mode so that they should not forget whatever they are taught. Now Trust have started this Centre through off line mode.

5. We also run and manage a Library at Joga Bai Chaupal (Zakir Nagar) and provide good academic environment and support the students who do not have the facility of reading rooms.
6. Many people have lost their earning due to this Pandemic. Alhamdulillah Roshan Trust could help some of them to restart their small businesses.
7. Many Parents were unable to pay the school fees and were about to withdraw their ward from the school. Alhamdulillah Roshan Trust managed to help some of them financially to continue their studies.

EDUCARE EDUCATIONAL TRUST

Is an organization run by Dr. Seemin Mushir and Mr. Khalid Ali Warsi both are Alumni of the department of Geography JMI. Dr. Seemin is teaching in the department since 2004. Mr. Khalid Ali Warsi is Vice President in a private limited company Jeotech Marketing Engineering, NOIDA. This trust is working since 2017 in the field of education.

Objectives:

1. To create awareness among the poor people about education.
2. To strengthen children by providing good education to prevent dropouts.
3. To make these children more informed and aware about the world.
4. To work for their overall development by providing them different type of experiences through games, activities and outings.

Works undertaken by the trust

- Trust is running a Coaching Centre for poor children providing free education to the children and work for their overall development. Performance of the children who have taken coaching in our center has improved considerably. We are hopeful that we will create a positive change in the lives of our children.
- Trust provided Ration Kits to the needy people during wave1 and wave2 of the Pandemic.

Running a girls stitching Centre to train girls and women in cutting and tailoring so that they can earn their livelihood.

JAMIA GEOGRAPHY ALUMNI ASSOCIATION (JGAA) LAUNCHED MISSION PAY BACK TO SOCIETY IN ASSOCIATION WITH EDUCARE EDUCATIONAL TRUST:

A group of Jamia Geography Alumni Association established Career Guidance & Coaching Centre (CGCC) for economically weak minority students aspiring to join Public Services in the field of Civil Services, Academics, Banking, Police, Railway, Defense Services, and Secretarial Services etc. Alumni group decided to start this centre in association with local NGOs / Voluntary organization who have requisite experience while the financial assistance would be from the Alumni.

This group includes Dr. Seemin Mushir, Prof. Lalit Sagar, Mr. Ghyoor Ahmed, Mr. Zakir Hussian, Ms. Shaista Khan and Ms. Sualeha Mehdi. This task was given the name of “**Mission Payback to Society**” as it’s an effort on the part of Alumni to give back to future generations of our society what they have been gifted by their earlier generations. The first of its kind, the Centre has been opened in Ghaffar Manzil, Jamia Nagar in association with **Educare Educational Trust**. Career Coaching & Guidance Classes /Workshop/ sessions were started for the needy students. Further, the preparatory classes for the students aspiring to get admission in different courses of Jamia Millia Islamia, Aligarh Muslim University and Delhi University were also started under this mission. Initially, preparatory classes were conducted offline but later due to Wave-2 of Covid-19, it was turned to online mode and was continued till the date of entrance exams.

Under this mission Career Guidance Workshops were organized in different areas of Delhi particularly in walled city and North East Delhi where a large number of minority students in the year 2020 and 2021 were guided for future career opportunities in Public Services and how they should prepare themselves to get into different types of services.

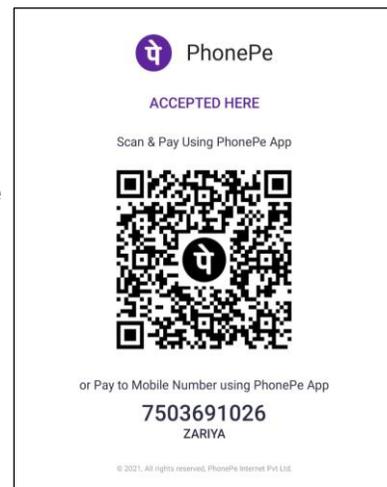

Though, due to prevailing Covid-19 lockdown situations, the mission activities were restricted this year, but the mission intends to expand the horizon of its activities for the proper & timely guidance & coaching to students at their doorstep and to fulfil their dreams to serve the nation & society.

ZARIYA: The Way of Serving

ZARIYA is a brain child of Mohammed Tehreer Alam, an alumnus of the department of geography. ZARIYA has been working in the areas of food distribution, hygiene and healthcare services, environmental sustainability, education, animal care for the past 3 year.

Working Areas:

- ❖ **Yamuna Cleanup Drive**
- ❖ **Hygiene and Sanitation Drive**
wherein sanitary pads and soaps are distributed to needy people
- ❖ **Siksha ka Zariya**
by imparting teaching programs
- ❖ **Sehat ka Zariya Drive**
wherein games and activities are organized for physical fitness.
Medicines are provided.
- ❖ **Bezubaan ka Zariya:** Feed Street dogs
- ❖ **Winters ka Zariya:** distribution of warm cloths

People are invited to donate and to become our volunteer to actively participate in our work.

<https://www.facebook.com/zariya.serving>
