

Women's Link
A Biannual, Peer-Reviewed, International Journal
Vol. 34, Issue 1-January 2027

Non-Thematic

The forthcoming non-thematic issue proposes to engage in an interdisciplinary manner with the varied ways in which women continue to struggle for assertion of their identity and agency. We invite original research papers that critically engage with these and other related issues and offer fresh insights into the debate on the status of women in India and around the world. As an international journal, we seek to dismantle hegemonies, resist the homogenising impulse of Western feminism, reinstate plurality, and assert the diverse, complex, and layered nature of the women's question. Some of the sub-themes the issue hopes to examine are:

- Gendered Precarity and Violence
- Changing Global Order and Gender Inequality
- Women, War, and Vulnerability
- Women in Popular Media
- Climate Change and Gender Justice
- Women in Indigenous Cultures and Folk Forms
- Women, Work and Economy
- Women and Ageing
