E-LIBRARY

A well- equipped e-Library provides access to a large number of electronic resources in all disciplines from within campus, home and other remote locations in a 24x7 mode. Library has a dedicated large E-Resources Centre for 100 plus users to access electronic databases of journals, e-books and reference materials subscribed by university. The library organises frequent orientation and information literacy programmes concerning these resources with the objective of raising awareness among the faculty members and research scholars for maximising e-resource usage. Remote access to e-resources is through online registration, link which has been provided on home page of university website. Link: <https://jmielibrary.informaticsglobal.com/login>

ABOUT DR. ZAKIR HUSAIN LIBRARY

2

Established in the year 1922 and subsequently named after Dr. Zakir Husain, former President of India and Vice-Chancellor of JMI, Dr. Zakir Husain Library serves as Central Library of the University. Spread over an area of 1 Lakh sq. ft. and housed in an independent four storey building, Dr. Zakir Husain Central Library is one of the most richly equipped university libraries in the country in terms of resources, services and infrastructures and comprises of a total collection of nearly 4 Lakh books, bound volumes of journals, manuscripts, rare books and a globally acclaimed oriental collection. The Library is fully automated and extensively leverages modern technologies in delivering its services. Collection is searchable through online catalogue. Providing both on and off campus access to over 17000 full text e-journals, corporate, financial, statistical and citation analysis databases and a large number of e-books, library provides a peaceful, serene and conducive environment for the students, research scholars and faculty members to access a huge variety of learning resources round the year.

VISION STATEMENT

To transform Dr. Zakir Husain Central Library into a world class learning resource centre so as to promote teaching, learning & research by acquiring, developing & delivering matching scholarly critical and independent knowledge resources to patrons anytime/anywhere and provide well-equipped & vibrant, inclusive physical spaces where all sections of learners can pursue independent learning outside the classroom and engage in meaningful experience.

MISSION

To provide an inviting, dynamic learning environment and services that support and enhance teaching and learning by facilitating equitable and inclusive access to resources, preserve materials for future generations of students & help transform them into well informed and empowered citizens.
