Press Release

Summer Camps for children begins at JMI

A ten-day Summer Camp for 04 to 10 year age group children began at the Mushir Fatima Nursery School, Jamia Millia Islamia (JMI) on 15th June, 2023 which will continue till 24th June 2023.

The camp aims to provide a platform to students of Jamia schools as well as the community outside Jamia campus by keeping them engaged and giving them opportunities and exposure to explore their interests beyond academics and learn new skills, thus enhancing their knowledge, creativity and experience.

The camp is designed to provide hands-on experience in activities like dance, drama, music, zumba, art and craft, puppetry, theatre, science experiments and other fun games to enhance learning and to develop various skills.

All the children were welcomed with 'Rise and Shine' sun headbands and a hand stamp. The inducted bright shining young ones proceeded to the outdoor mini amphitheatre for the assembly and musical exercises. The children met Cheeku the Rabbit mascot who joined the 2023 summer camp with the children. Each child introduced those sitting on the left and right with a song. Following this all the children drew a rainy day to call on the rains. Following this they spent an hour dancing and or doing role play.

A month-long Sports Summer Camp also started on 15th June, 2023 at NMAK Sports complex, JMI. The camp is being organised by the Games & Sports Department, JMI for school going children, wards of JMI employees and other children of the surrounding community (Age 8 to 15 years). Children are being trained by expert coaches in Basketball, Football, Cricket, Table-Tennis and Badminton games during the camp which will be organised till 14th July, 2023.
