

JMI organizes the screening of “All We Imagine as Light” by Payal Kapadia

New Delhi, October 24, 2025

The Subject Association of the Dept of English organized the film screening of All We Imagine as Light directed by Payal Kapadia as part of its initiative to impart education in a holistic approach to the young minds. The film screening was attended by a large number of enthusiastic students.

The winner of the Grand Prix at the Cannes Film Festival 2024, this film is considered to be one of the best films to emerge from India in the recent past.

Three women at different junctures of their lives navigate the complexities of migration, career, love, urban life as well as womanhood in this mystical saga. These issues remain central to our lives and times that we live in.

Through their display of an everyday will to survive, and survive emphatically, all three women truly capture the essence of womanhood in the modern world. Kapadia, with expertise and empathy, encapsulates the beauty and the mystery of the mundane.

The issues of gender as well as migration alongwith urban life are pivotal to our age. Screening of this film is an interdisciplinary initiative on part of the Subject Association and it also aligns with the goals and objectives of the NEP 2020, where young minds should be exposed to a variety of social perspectives and issues. Gender sensitization is core to our lives in the university.

The film screening came to an end with a discussion on the issues anchored by Soham Halder and Alisha Uvais, students of MA English Sem 3. The ELA (English Literary Association) Advisor, Dr Roomy Naqvy proposed a vote of thanks where he thanked the Hon'ble Vice Chancellor, the Registrar, Jamia administration and the Head of Dept, Prof Mukesh Ranjan.
