

**JMI Batch 2026 Placements Begin on an Impressive Note**

New Delhi, September 17, 2025

The University Placement Cell, Jamia Millia Islamia (JMI), is proud to announce the onset of placements for JMI batch 2026, with students securing prestigious offers from leading multinational corporations.

It started with one student from B.Tech-Computer Engineering receiving a Pre-Placement Offer (PPO) from Optum with an impressive package of 18 LPA for the role of Software Development Engineer.

Adding to the achievements, four students from B.Tech-Computer Engineering have been selected by IDFC First Bank for the role of Application Engineer, with each securing a package of 16 LPA.

From B.Tech – Electronics & Communication, one student has earned a PPO from Accenture with a package of 11.89 LPA.

Furthermore, three students from B.Tech and M.Tech – Electrical Engineering have been selected by Siemens Energy India Limited (SEIL). The B.Tech graduates were offered the role of Graduate Engineer Trainee (GET) with a package of 6 LPA, while the M.Tech graduate was selected as a Post Graduate Engineer Trainee (PGET) with a package of 9 LPA.

These achievements are a testimony to the hard work of the students, the guidance of the faculty, and the continuous efforts of the University Placement Cell in building strong industry-academia linkages.

These accomplishments of students in very good companies at high packages have been done under the able leadership of the Hon'ble Vice-chancellor Prof Mazhar Asif and Prof Md Mahtab Alam Rizvi, Registrar of the university.

The Hony. Director-Prof. Rahela Farooqi, Hony. Dy Director-Prof. Sabah Khan & Prof. Rihan Khan Suri Professor (TPO) & Director CIE congratulated the students on their tremendous success.
