Press Release

Students Secure Prestigious Placements at IDFC First Bank and Epam

New Delhi, August 27, 2026

The University Placement Cell (UPC), Jamia Millia Islamia (JMI) proudly announces the remarkable placement achievement of 4 students from **B.Tech Computer Engineering being selected by IDFC First Bank at a handsome CTC of 18 lakhs and 22 students from B.Tech. Computer Engineering, Electronics & Communication Engineering and MCA in Epam.**

The IDFC First Bank drive concluded yesterday at a pool campus where 4 students got finally selected after an Online Aptitude test and three rounds of interview. The Epam placement drive was conducted earlier this month at the **University Placement Cell, Jamia Millia Islamia**. The selection process comprised a **pen-and-paper test**, followed by **Group Discussion and Interview rounds**. Upon successful completion of the selection process, **22 students were finally selected by Epam**. These students will be first offered an internship of six months and on successful completion students will be placed as **Software Engineer**, with an annual package **starting from ₹8.48 LPA**.

The University Placement Cell continuously endeavours to provide **quality training and placement opportunities** to JMI students, enabling them to enhance their professional skills and build successful and rewarding careers with leading organisations.

The **Hony. Director, Prof. Rahela Farooqi, Hony. Dy. Director, Prof. Sabah Khan; Prof. Rihan Khan Suri, Professor (TPO); and Assistant Director, Prof. Sarfaraz Masood** congratulated the selected students on their outstanding achievement and appreciated their hard work, dedication and commitment throughout the selection process. Prof. Rahela Farooqi also thanked the Honorable Vice Chancellor, Prof Mazhar Asif and the Registrar Prof Mahtab Alam Rizvi for their continued support.

Jamia Millia Islamia proudly celebrates this achievement and extends its heartfelt congratulations and best wishes to all the selected students for a successful, fulfilling and promising career ahead.

Prof. Saima Saeed
