Press Release

JMI Secures 501–550 Position in Times Higher Education World University Rankings 2027

New Delhi, October 1, 2026

Jamia Millia Islamia (JMI) has been placed in the 501–550 band globally in the Times Higher Education (THE) World University Rankings 2027 released yesterday, reaffirming the University's strong presence in the global higher education landscape.

The latest edition of the prestigious THE World University Rankings 2027 has placed JMI among the globally ranked universities, reflecting its continued contribution to teaching, research, knowledge creation, innovation and international engagement. The ranking evaluates universities across key areas including teaching, research environment, research quality, industry engagement and international outlook.

JMI's presence in the 501–550 global band is a reflection of the collective efforts of its faculty members, researchers, students, officers and staff towards strengthening the University's academic and research ecosystem. The achievement also highlights the University's continued focus on quality education, impactful research, innovation and institutional development.

The Vice-Chancellor, Prof. Mazhar Asif, congratulated the faculty members, researchers, students, officers and staff of the University for their collective contribution to JMI's performance in the international ranking. He emphasized that the University remains committed to advancing academic excellence, quality research, innovation, interdisciplinary collaboration and global academic engagement.

The Registrar, Prof. Md. Mahtab Alam Rizvi, appreciated the collective efforts of the JMI community and stated that the University's continued presence in global rankings reflects its commitment to academic excellence, research and institutional development.

The Honorary Director, IQAC, Prof. Rafat Parveen, congratulated the entire JMI community and acknowledged the dedicated efforts of the IQAC staff in coordinating, compiling, validating and supporting the institutional data and information required for various national and international ranking exercises. She emphasized that sustained

teamwork, data quality, institutional coordination and continuous quality improvement are important components of JMI's global academic visibility.

The University acknowledges the valuable contributions of the IQAC team and staff members of various faculties, departments, centres and administrative units whose coordinated efforts contribute to strengthening JMI's institutional profile and its participation in global ranking frameworks.

Jamia Millia Islamia remains committed to further strengthening its academic, research and quality assurance ecosystem and contributing meaningfully to the national and global higher education community.
