Press Release

Swachhata Hi Seva Programme organised at the Office of the Controller of Examinations, Jamia Millia Islamia

New Delhi, 15 October 2026

A cleanliness drive was organised on 15th October, 2026 at the Office of the Controller of Examinations (CoE), Jamia Millia Islamia (JMI), under the guidance of the Hon'ble Vice-Chancellor, Prof. Mazhar Asif; the Registrar, Prof. Md. Mahtab Alam Rizvi; and the Controller of Examinations, Prof. Ahteshamul Haque, as part of the *Swachhata Hi Seva* initiative.

The programme witnessed enthusiastic participation from the staff members of the CoE Office, with the Controller of Examinations, Prof. Ahteshamul Haque, leading by example. Taking up a broom himself and actively participating in cleaning the surroundings of the office building, he demonstrated that maintaining a clean and healthy workplace is a collective responsibility that transcends official designations and administrative hierarchies. His participation served as an encouraging example for the staff, who joined the drive with equal enthusiasm and commitment.

Through his active involvement, the Controller of Examinations reinforced the importance of translating the ideals of *Swachhata* into everyday institutional practice. He encouraged staff members to take ownership of their surroundings and contribute consistently towards maintaining a hygienic, orderly and environmentally conscious workplace. His initiative also highlighted the importance of leadership through action in fostering a culture of civic responsibility and collective participation.

The drive focused on improving the surroundings of the CoE Office and promoting awareness about the significance of a clean, green and sustainable working environment. The participation of the staff reflected a shared commitment to making the office premises more welcoming and conducive to efficient administrative functioning.

The programme reaffirmed the commitment of the Office of the Controller of Examinations to the broader objectives of the *Swachhata Abhiyan* and to building an institutional culture in which environmental responsibility and cleanliness remain an integral part of everyday work practices. The initiative concluded with a collective resolve to sustain these efforts and contribute towards a cleaner and greener Jamia Millia Islamia.
