Press Release

CDOE, JMI organises Special Lecture on 'Swachhata' under Special Campaign 6.0

New Delhi, October 23, 2026

The Centre for Distance and Online Education (CDOE), Jamia Millia Islamia (JMI), organised a special lecture on "Swachhata" under Special Campaign 6.0 at the CDOE Conference Room on October 22, 2026. The programme was organised under the patronage of Prof. Mazhar Asif, Hon'ble Vice-Chancellor, JMI, and with the support and guidance of Prof. Md Mahtab Alam Rizvi, Registrar, JMI.

The lecture was organised as part of the ongoing Special Campaign 6.0, aimed at promoting cleanliness, improving workplace environments and encouraging greater awareness of hygiene and administrative efficiency in public institutions.

The distinguished speaker, Dr. Dinesh Vyas, Deputy Director, National Commission for Scheduled Castes, Government of India, delivered the lecture. The programme was organised under the leadership of Prof. Aslam Khan, Director, CDOE, who also served as the discussant.

In his address, Dr. Vyas highlighted the importance of cleanliness and administrative efficiency in government offices and public institutions. He outlined five basic principles for administrative decluttering: Observe, Sort, Clean, Report and Review. He emphasised that these principles could help create a cleaner, more organised and efficient working environment.

Dr. Vyas also discussed various initiatives undertaken by the Government of India to promote cleanliness and administrative efficiency. Referring to the NAMASTE Scheme (National Action for Mechanised Sanitation Ecosystem), he highlighted its objective of ensuring zero fatalities in sanitation work and eliminating the inhumane practice of manual scavenging. He stressed the importance of dignity, safety and mechanisation in sanitation work.

During the programme, Prof. Aslam Khan, Director, CDOE, highlighted the importance of mental cleanliness, emphasising that it is equally essential to eliminate the dirt of prejudice, narrow-mindedness and regressive thinking that persists in society's mindset towards women.

He stated that cleanliness is not merely about keeping our surroundings clean; it also involves purifying our minds, thoughts and attitudes. He further emphasised that adopting a respectful, positive and egalitarian attitude towards women is essential for building a healthy, clean and progressive society.
