Press Release

JMI invites applications for Short-Term Skill-Based courses on AI & Cyber Security

New Delhi, December 18, 2025

The Centre for Innovation and Entrepreneurship (CIE), Jamia Millia Islamia is excited to announce the opening of registrations for a new batch of Short-Term Skill-Based Courses on AI & Cyber Security (Offline) under its flagship initiatives:

These programs are meticulously designed to empower youth, aspiring entrepreneurs, and job-seekers with hands-on, industry-relevant training to help them thrive in today's fast-evolving economy.

The *Smart Academy for Digital Technologies and Entrepreneurship* at Jamia Millia Islamia, established in collaboration with Tech Mahindra Foundation, offers a dynamic set of certificate courses designed to equip learners with future-ready digital skills and entrepreneurial competencies. These courses include Digital Entrepreneurship, UI/UX Design, AI-Driven Data Analysis (AI Data), and Graphic Designing, all of which are carefully curated to meet the demands of today's rapidly evolving tech landscape. The programs blend theoretical understanding with practical applications, enabling students not only to secure jobs in high-demand sectors like design, cloud services, and digital media but also to launch and manage their own tech-driven ventures. Conducted in an offline mode with expert guidance and industry exposure, the Smart Academy empowers learners to thrive in the digital economy.

| S. No. | Course Name | Eligibility | Duration | Fee Structure |
|--------|-----------------------------------|------------------------------|----------|---------------|
| 1 | Digital Entrepreneurship | 12 th Pass (Min.) | 3 Months | Rs. 3,050 |
| 2 | UI/UX Design | 12 th Pass (Min.) | 3 Months | Rs. 12,600 |
| 3 | Advanced Digital Marketing | 12 th Pass (Min.) | 3 Months | Rs. 10,500 |
| 4 | AI-Driven Data Analysis (AI Data) | 12 th Pass (Min.) | 3 Months | Rs. 10,500 |

Smart Academy in collaboration with Tech Mahindra Foundation and the Livelihood Business Incubator reflect Jamia Millia Islamia's commitment to building a digitally skilled, job-ready, and entrepreneurially driven workforce. These programs not only respond to the current employment landscape but also encourage innovation and self-reliance, helping learners to become contributors to India's knowledge and startup economy.

The last date of Registration is 31st December, 2025
