Press Release

JMI's Faculty of Dentistry hosts lecture and demonstration on "Crafting Composites for Functional Restoration"

New Delhi, October 23, 2026

The Faculty of Dentistry, Jamia Millia Islamia, hosted a guest lecture and demonstration on the topic titled "Crafting Composites for Functional Restoration" on Wednesday, October 14, 2026, from 2:00 PM to 4:00 PM. The event was organized by the Department of Conservative Dentistry and Endodontics in scientific collaboration with the Indian Academy of Aesthetic & Cosmetic Dentistry (IAACD) to commemorate World Endodontics Day which is celebrated on 16th October every year. The aim of the program was to primarily acquaint the final year students, interns and postgraduates with the tooth preservation, advanced adhesive techniques, and intricacies of doing more long lasting composite restorations.

The event was organized under the patronage of Hon'ble Vice Chancellor Prof. Mazhar Asif and Registrar Prof. Md. Mahtab Alam Rizvi, with Dean Prof Nadeem Yunus serving as Chairperson. The formal proceedings commenced at the Library Hall with the welcome address of Dean, Faculty of Dentistry, Jamia Millia Islamia Prof Nadeem Yunus who welcomed the guest speaker, Dr.Nikhil Bahuguna and all the participants. He emphasized on the emerging importance of composite restorations as highly predictable aesthetic restorations and advanced adhesive bonding systems which are rapidly evolving. We observed the green campus protocol wherein the invited resource person, Dr. Nikhil Bahuguna, was felicitated with a living sapling by Dean Prof. Nadeem Yunus, followed by the felicitation of Dean Prof. Nadeem Yunus by Dr. Sanjay Miglani, Professor, Department of Conservative Dentistry and Endodontics.

The session was led by Dr. Nikhil Bahuguna, an internationally recognized microendodontist and Diplomate of the American Board of Aesthetic Dentistry who conducted a masterclass and live clinical demonstration on a typodont model about composite restoration which was witnessed by around 100 participants. He demonstrated step-by-step composite restoration techniques, focusing on substrate bonding, dentin conditioning, and preserving the hybrid layer. Working directly on the model, he explained oblique incremental and cusp-by-cusp layering to manage polymerization shrinkage, practical techniques for carving natural occlusal anatomy, establishing tight proximal contacts, and multi-step polishing methods to achieve durable, wear-resistant restorations.

The programme was held under the expert guidance of the Organising Committee members comprising of Dr.Sanjay Miglani , Dr.Md Irfan Ansari, Dr.Vivek Aggarwal, Dr.Babita Meena, Dr.Mukesh K Hasija, Dr.Neelam Singh and Dr.Shahnaz, Dr.Sweta Rastogi serving as event coordinators from the Department of Conservative Dentistry & Endodontics, Faculty of Dentistry facilitating seamless logistics and active audience participation throughout the presentation and live demonstration. The program was concluded with a formal vote of thanks delivered by Dr. Shahnaz, Associate Professor, Department of Conservative Dentistry, Faculty of Dentistry, Jamia Millia Islamia.
